

Dagangan : T19 LED RETROFIT	Kod Tarif (Perintah Duti Kastam 2012):
Nama Perdagangan : T19 LED Retrofit	8539.50.00 00 (PDK 2017)
Jenama : OSRAM	Tarikh Kelulusan :
Model : T19 LED Retrofit	11 Januari 2019

Keterangan barangan :

1.	Deskripsi Barangan :	Barangan merupakan ' <i>LED Retrofit</i> ' iaitu sejenis mentol yang dipasang dilampu hadapan sesebuah motorsikal. Ia mengeluarkan cahaya yang bersinar (<i>light is radiant</i>) dan membolehkan pemanduan yang lancar serta jarak penglihatan yang baik.		
		Nama produk	T19 LED Retrofit	
		Base	P15d-25-1	
		Product portfolio	2 W Head Lamp LED Retrofits	
		Package	1 pce / blister	
2.	Material buatan :	Aluminium Heat Sink	Used as a heat dissipation component	
		LED Beads (8 pcs/ lamp)	Used as light transmitting component to illuminate road/ traffic.	
		PCB & Electronics Controller	Directing & regulate electrical current to charge LED beads.	
		Metal Base	Made based on international regulations as per specification for P15D-25-1 base	
3.	Spesifikasi/ Komponen :	T19 LED Retrofit		
		Power consumption	5W – 6W	LED Lamp consumes lower wattage. Thus more environmentally friendly
		Lifetime	Can last up to 1,000 hours*	LED Lamp lifetime is much longer than of conventional lamps. Thus more economical as well as reducing waste to environment.
		Light Output	From 230 Lumen up to more than 320 Lumen	LED Lamp is capable of producing same and/or higher light output than of traditional lamp. Producing higher lumen output per watt consumed.
		Light Distribution	Bright	Due to better applied technology, light distribution shape and light focus can be set much better than traditional lamps.
		Light Color	White colour	Cool white light colour produced is more stylish as well as calmer to the eye.
